Before that,
After a lot of twists and turns, we're finally on our da.... outing.
it might be sudden, but let me give you a piece of trivia.
When the weather gets hot,
tigers tend to jump into water to lower their body temperatures.
AAH!
I'm a human.
Let's go in!
Huh?
SUNG HOON!
Even if she looks like this,
she's essentially a tiger, and...

.....
Ha ha ha- it's so refreshing!
Do I have to go back and change?
It hasn't even been 10 minutes, and I'm already like this...
Refreshing as it may be, the fountain isn't a swimming pool.
No need for that.
Is this fun you brat?
Yea!
Solution?
You say that because you're not the one that's wet.
If we can go to an isolated place, I have a solution.

Hm-mh
A very simple spell.
I just have to focus the essence of water into a single point.
Interesting.
SAEHEE DRYER
Then, excuse me.
Oh!

You don't have to glare at me with such scary eyes.
The only thing I extracted was the water in the young master's clothes.
Or perhaps you were thinking of a different liquid?
I, I DIDN'T THINK THAT!!
Really, how unpleasant.
Why?
Sung Hoon! Sung Hoon!
Look! Look at that!

To get excited over a bunch of animals...
It matches her childish appearance.
Haha, don't run too fast, you might fall and get hurt...
Daddy's eyes.

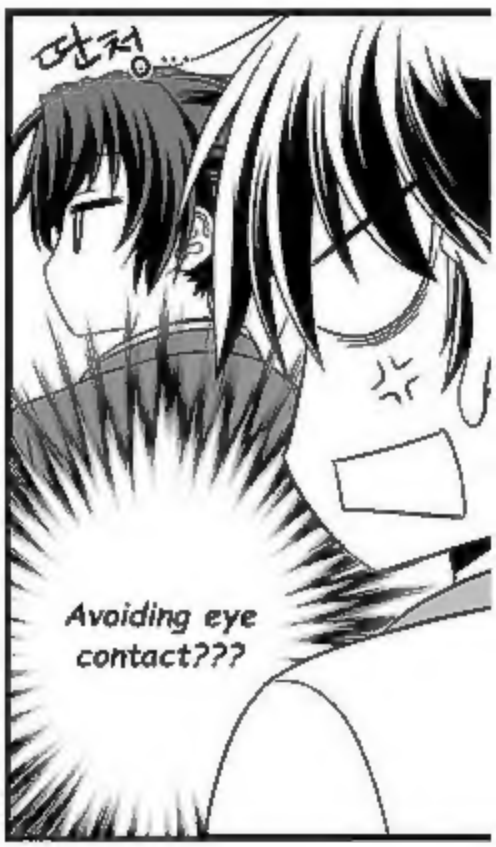
They look delicious~
IT'S THAT?
Let's eat deer hotpot tonight.
To think there was this much variety,
it'll be fun selecting which ones I eat.
THIS ISN'T A CERTAIN ICE CREAM SHOP!
You can't eat that.
Humans didn't cage those animals in here so we could eat them.
Why not?
If not the deer, can I choose something else?
A zoo is....

not meant to keep animals we eat,
but meant to keep animals so we can look at them.

How weird. What's the point of looking?
Isn't that a waste of food?
Ah... no... waste...
...isn't there anyone that can explain this to her?

To give children a chance to see animals in real life.
That's why...

You can't see these animals in nature nowadays.
That's why we raise them in the zoo.



Avoiding eye contact???

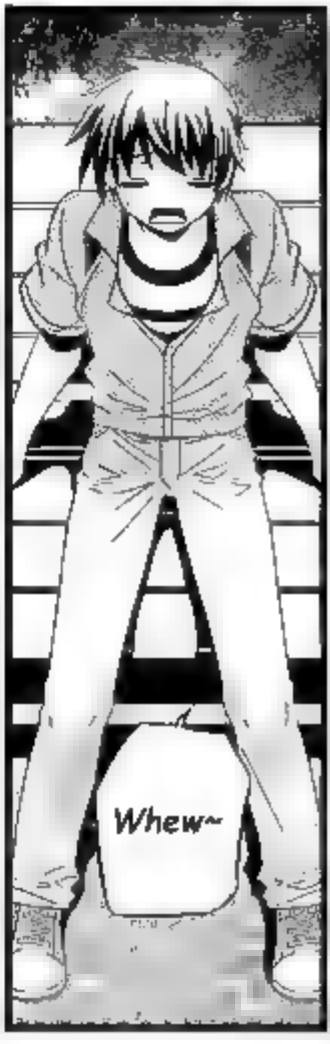
You can't eat that deer, right?
Other children won't be able to see it if you eat it.
끄덕
That's why I...
I like this side of Na Rae.
Na Rae is usually like this.
Her aggressiveness is just an appearance.
Problem?
What did I do?
Although my image of Na Rae was easily destroyed.
Nothing I can do about it.

TN: No... she seems pretty aggressive to me.

I'll just ask Sae Hee to get me one later, I'll give up for now.
That's a joke right? You'll be arrested if you're serious!

You seem quite good at it
My younger cousins were quite hussy

Why don't you exercise more How are you tired already?
Looking after kids is hard work

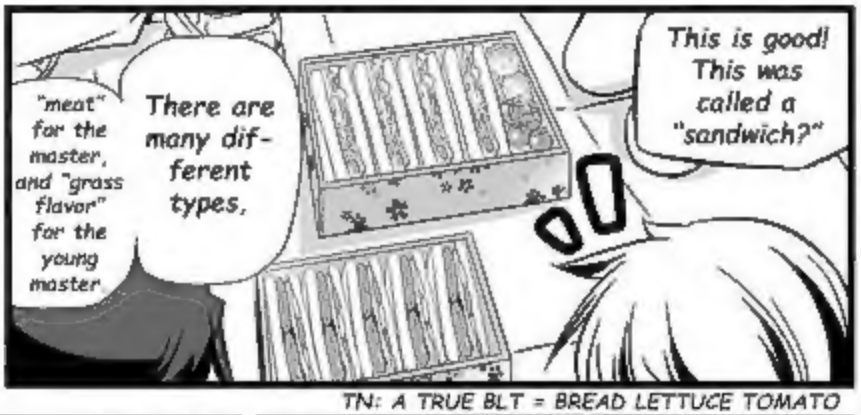


Whew~

How much I suffered...
to the point where I'd want a son instead of a daughter

A son is fine, but I'd rather have a daughter.
They're cuter.
What's with that.
How about two sons and a daughter?
Then a son and a daughter would be perfect.
WHO'S PLANNING A FAMILY?
You were quite specific while talking.
Sorry to disturb your family planning.

Isn't it normal to think about things like that?
I don't think normal high schoolers think about family plans.
Enough about that, what do you need.



This is good! This was called a "sandwich?"
There are many different types,
"meat" for the master, and "grass flavor" for the young master.

TN: A TRUE BLT = BREAD LETTUCE TOMATO

It doesn't just have to be manhwa, or web-toons. I'm fluent in both korean and japanese, so manga is fine.

Also if anybody has any idea how other groups remove text on the pictures... hit me up with that info. It pains me to just put a white box over it everytime.

I'll work as fast as I can, but sometimes I'm busy, so if I can't do daily releases please understand.
